To all of our friends and family who have joined us here today at Camden church of Christ for our friends and family day, we want to extend a hearty welcome!! We are glad to have you with us today. This is a very special day for us. It gives us a chance to reconnect with some that we haven't gotten to see in a while, worship God together, and celebrate our faith, family, and friends. If you are visiting with us, we request that you fill out a visitor's card

found in the back of the pew in front

of you. These can be left in the pew where you are sitting or left in one of the collection trays located on the tables in the foyer.

If you are visiting with us today, we are honored by your presence and hope that you will be able to stay after our morning worship service and enjoy lunch with us. Our ladies always do a great job preparing plenty of good food for everyone, so don't worry about there not being enough or whether you brought anything. We would love to get the chance to get to know you a little bit over lunch. And please don't forget to join us again for an early afternoon worship service right after lunch, at 1:00 p.m.

Bill Watkins is speaking for us today. He is visiting with us from Nashville, where he serves as one of the ministers for the Crieve Hall church of Christ. He is involved in television, radio, and mass media, as well as personal evangelism, has preached the Gospel on almost every continent, and enjoys most sports, skydiving, motorcycling, reading, traveling, and being with family.

Brother Watkins is a son and brother of preachers, and married the daughter of a preacher, Beverly, since 1972. *(Continued on the back cover)*

*A WARM WELCOME TO OUR GUESTS. Please fill out a white visitor card found in the back of the pew in front of you, including your mailing address and email address, and drop it in the collection plate on your way out. We are so glad we can worship together today.*

*"Pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world." (Jas 1:27)*

*Continued from front cover*

They have five children (two boys and three girls).

Brother Watkins was formally educated at Freed-Hardeman University, David Lipscomb University, Southern Christian University, and Florida International University, but says:

I was really educated through growing up with three siblings; preaching at churches in Florida, Tennessee, Alabama, and Texas; learning from my parents and parents-in-law; observing my wife's willingness and wisdom; and attempting to raise five remarkable and remarkably different children. I love being with my family and working with the church. Preaching is not my career. Like being a husband and a father, it is my life-choice and my joy.

We are glad that he was able to come and be with us today and look forward to our time of worship and fellowship together! Unfortunately, his wife, Beverly, was not able to come with him this time. She is currently undergoing cancer treatments.

*Behold, how good and how pleasant it is For brethren to dwell together in unity! (Ps 133:1)*
